We Dedicate The 1978 VIKING In Loving Memory To

MRS. EMILY BLACKNEY

BORN – AUGUST 14, 1917

DIED – DECEMBER 1, 1977

Content to her was not a game, In which she strove and worked for fame, Or worldly goods. But in the way she lived her life each passing day.

They who think that you are gone because no more your face they see, Are wrong – for in our hearts you live; And always will, in memory.

BORN – OCTOBER 22, 1937 DIED – JULY 19, 1977 MRS. MARY SUE BECKER

I was a child
Who ran full of laughter
I was a child who lived for today
My eyes full of sunshine
My heart full of smiles
I was a child for a day.
We were the children
Who sang in the morning
We were the children
Who laughed at the sun
Who listened to those who spoke
with their wisdom.

We are the ones who we would say, but

We're getting older as time goes by A little older with every day

We were the children of yesterday. We are the men who worry of nothing

We are the men who fight without aim

Who listen to no one, yet speak of our wisdom

We are the pawns in the game.

August 3, 1960 - September 11, 1977

If each of us tries to remember Chuck as he was, we would find a treasure chest full of goodness and a genuine feeling he held for all. The memory we have should bring a smile to our faces and a special warmth inside.

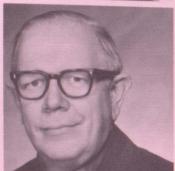

He now knows all truths. He has found a place some day each one of us will eventually find. He has entered something that is still a mystery to us — Eternity.

These are the 1978 Senior Class Advisors, who during the past four years, have offered their guidance and advice to this year's graduating class. They devoted much time and energy to such matters as homecoming activities, money-making projects, graduation procedures, and most important, the development of student decision-making.

In many ways they have grown along with our class, ever more gaining knowledge and experience to be thoughtfully passed on.

Everybody always asks, "What does a Woodland Aide do?" They help supervise classes, the arriving and loading of students, and various lunch and recess activities. They help prepare charts, bulletin boards, set up audio-visual aids, and do some general clerical work. They establish a working relationship with both staff and students. The goal of a Woodland Aide is to coordinate actual work experience with the "feeling" aspects of working with handicapped young people. It is becoming more and more evident that some high school students have the maturity and strengths necessary to work in depth with the handicapped children.

Thespians are an International group with troops in high schools throughout the world. To become a member, one must have acquired a certain number of points, working in the different areas of theatre arts.

This was the group's first year at MHS. They met on Wednesday mornings during homeroom. Some of their activities were the initiation dinner and a trip to the Fisher Theatre to see the play Pippen. Also, a small group visited M.S.U. for a work day.

The Hobby Club averaged six meetings per month. A variety of things occurred during the meetings. Some meetings were work nights; others were presentation nights. On these nights a member displayed his project. The project was voted on. Scores were kept and the person with the most points was awarded a prize. Some of the hobbies that were portrayed in the club were the building of models, stamp collecting and coin collecting. Some special activities that the Hobby Club participated in this year were co-sponsoring a contest with the Hobby Center and having a Christmas party at Mr. Meier's house. Although this was the first year for the club, it had a very successful year.

Of course, the year wouldn't be right without the BOEC State Competition in March. To end the year, members attended the BOEC Annual Honor Awards.

Mary Warren was elected president of BOEC. Her job was to conduct all meetings and project ideas for activities.

BOEC had five Regional Competition winners. Linda Diem placed seventh in General Clerical II and Sandy Galant was eighth in the same event. Janet Shimmel won first place in Information Communication, Patty Umphrey took third in the same event, also fourth in Typing II. Jeanine Washington placed third in Job Interview,

Mr. Collard was chosen to serve on the National Leadership Conference planning committee. He was appointed Chairman of the Competitive Events Registration Committee and helped make the National Conference in Detroit a real success.

There are many duties involved in Library Service, such as filing, repairing books and magazines. Working at the desk involves keeping track of how many people come in each day and checking books in and out. Everyone has her own job, such as overdues, the magazine room, typing of book cards. They also shelve books in assigned sections. The library, along with other parts of the school, is being remodeled this year. It is to be extended out in front and to the south entrance.

Rainbows of color expressed the theme "Colour My World" at the Junior Prom. Flowers, colorful decorations and dancing helped to fill the evening with lasting memories.

Being postponed in January because of a snowstorm, the prom finally was underway on February 18. Guests for the event included Mr. Durnell Stephens, Mr. Joseph Grosser, Mr. and Mrs. William McKeand, Mr. and Mrs. Ed Elsholz, Mr. James Puskarich, and Mr. and Mrs. Ted Golubinski.

Standing: Wade Gorinac, Treasurer; Jim Benedict, President. Sitting: Kathy Peyerk, Secretary; Kerry Krohn, Vice-President.

The Sophomore class had a very productive year. The selling of Viking Mugs was this year's project. This project helped the treasury tremendously. The Sophomores were very cooperative when it came to selling the mugs. This was only one way that the Sophomores showed their spirit throughout the year. At the pep assemblies, the Sophomores won as the class with the most spirit.

Vikings Win Tonight!

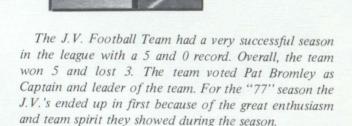

The Vikings proceeded to defeat every team after losing the first football game to the Port Huron Northern Huskies. The Vikings were "psyched up" for the entire season. Coach Braun was voted Regional Coach of the year by the Michigan High School Football Coaches Association. His leadership ruled over the Vikings. The team was a "bridesmaid" for the State Finals, but did not make it all the way.

OUR HOUSE IS YOUR HOUSE

We're more than a local retailer ... we're your neighbor. Our kids join yours in school, church and on the playground. We work with you fixing and painting up the neighborhood. And get together for good times at many of the same clubs and community organizations.

And because being a part of your community is a pleasure for us, we hope it will be a pleasant experience for you.

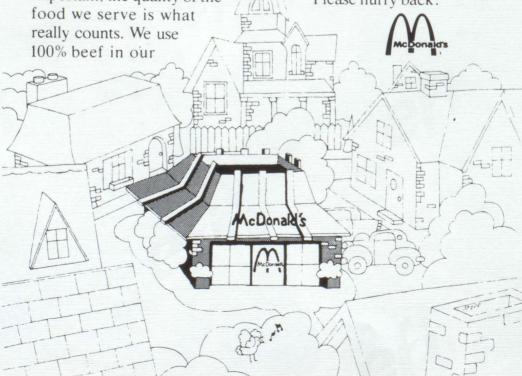

Your new McDonald's is part of a national organization that has sold billions of hamburgers.

And, although numbers are important, the quality of the

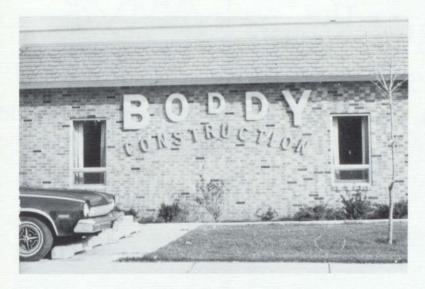

hamburgers, and it's purchased locally, as are most of our other food products and condiments. And all must meet our high quality standards.

We're justifiably proud of our spotless kitchens, and invite tours by Scout, school and club groups to observe first-hand how we turn out a meal in less than a minute. We can also prepare orders of almost any size for parties, picnics or club meetings. And we invite charitable organizations to let us lend a hand.

We're glad to be here... and thanks for visiting us. Please hurry back!

To Our Graduate

Memories are like windows That can look into your past Reflecting on your happy times That somehow always last Someday you'll reminisce, If only for a minute-Of one fond memory you'll recall And best of all, you're in it. That day you walked among the crowd And heard your name announced aloud With new diploma presented to you, A Lirm handshake, a fond adieu Your classmates nod as you walk by A lump in your throat, and you really try To keep the tear inside your eye You realize when Commencement ends You'll be saying good-bye to many friends Your Future's Here, in Yourself Believe Live life wisely and be happy, Steve !!!

Marysville (lass of '78 Congratulations as you graduate

The time has really flown
How beautifully you've grown
We're really proud of you
And wish success in all you do!

Our Love, Dad, Mom and Dale

No matter where you wander
No matter where you roam
We hope that you will always know
That Marysville's your home!!
